

KCMT AUDITORIUM POLICY

Pre-Show

Auditorium access is limited to ONLY directors and working volunteer staff who are preparing for the current show time. Cast members can gain access by staff permission. Cast member's parents are allowed in as paying customers when the doors open 30 minutes prior to the show. **Absolutely no seats may be saved when you bring your children at their designated call time.** If you wish to reserve seats, please purchase reserved seats according to the new procedure (see "Online Reserved Seating" below).

During a Show

Non-paying cast members and *working* volunteer staff need to always sit in the balcony unless there is room below. In the event of a sell-out, cast members and working volunteer staff will be asked to give up their balcony seats and move to a folding chair.

"Opposite Cast Members" (not their parent or younger sibling) may view any show at no cost and will always sit in the balcony. They must receive a hand stamp from the Box Office and enter through the TICKET SALES LINE. Adult supervision will be provided, and excellent theatre audience behavior is expected and strictly enforced.

Redeeming Tickets for Volunteer Hours

The Finance Department will be downstairs at the main Auditorium entrance (Will Call area) and available to process your volunteer hours **during dress rehearsals and two hours prior to each show.**

At no time should volunteer hours be presented to the Ticket Sales Table.
