

AUDITION and CALLBACK LINES

(See special notes on the last page)

SHREK *(has a Scottish accent)*

(disbelief) What do you mean there's no door? *(Demanding)* How do we get down? *(exasperated)*
Oh, come on! I just – *(giving up)* Aw geez, I'm like a crackpot magnet.

SHREK

(are you kidding?) Love me? *(seriously)* She said I was ugly. *(disgusted)* A hideous creature!
(obviously) I heard the two of you talking.

SHREK

(sincerely) Okay - look, I'm sorry, alright? I guess I am just a big, ugly ogre. *(softly)* Can you
forgive me?

SHREK *(with lots of feeling)*

Stop the wedding! ... Fiona, you can't marry him. ... He's not your true love.

DONKEY

(calm) Can I just say? *(freaking out)* That was incredible! *(physical)* Man, they were trippin' over
themselves to get away from you. *(pause and then calm)* I liked that.

DONKEY

You know... not everybody likes onions. But, parfaits! Have you ever met a person and you say,
"Hey, let's get some parfaits," and they say, *(in a deep voice)* "Heck no, I don't like no parfaits."
(dreamily) Parfaits are delicious.

DONKEY

(terrified) We're on a rickety bridge over a lake of molten lava? *(holding onto Shrek's leg)* I'm
looking down, Shrek! I'm looking down! *(whispers)* Don't let me go.

DONKEY

(sniffing and wrinkling his face) Whew! Shrek! Was that you? *(pause)* Man! You gotta warn
somebody before you just crack one off like that! *(disgusted)* My mouth was open and
everything!

FARQUAAD

(delighted) Ooo, Princess Fiona. *(Dreamy)* She sounds perfect. *(fearful)* Except for that dragon and lava thing. *(sneaky)* I'll have to find someone else to go...

FARQUAAD

Wait a minute. Wait... a... min...yette. Oh, this is too perfect. You! You're big and hulking and... *(wickedly)* wonderfully expendable. People of Duloc, we have a winner!

FARQUAAD

(arrogant) Princess Fiona? I am Lord Farquaad. No, too formal. *(tough guy)* Hey, Fiona? Farquaad. It's do or die, baby. *(overly dramatic Shakespeare)* But soft, what light through yonder window breaks? It is Fiona and I, Farquaad - am the sun.

CAPTAIN

(official) Right this way. Don't mind the mud. *(laughs)* You'll get used to it.

CAPTAIN

Three Bears, take your spot over there. *(Scrunched, hands up)* No, that's too close. *(Yells, hands outstretched)* Too far. *(Gratified, hands down)* Ahh, just right.

FIONA

(dreamy) Sunset. *(freaking out)* Oh my gosh! Sunset! Oh no!! *(fake calm, nice, sweet)* I mean... it's late. *(pause and motherly)* It's time for bed.

FIONA

(With a tambourine) I know it's today... oo-oo-oo-oo, I know it's today... oo-oo-oo-oo, I know it's today... oo-oo-oo-oo...

FIONA

(shocked) You're ... an ogre? *(devastated)* I'm supposed to be rescued by my true love! *(angry)* Not by some ogre and his... pet!

FIONA

(annoyed) You're not actually comparing yourself to what I endured? *(hurt)* There are things you don't know, ya know. About me. *(scowl)* About how rough I had it!

PINOCCHIO

(Matter-of-fact) Oh, I'm not a puppet, *(very proud)* I'm a real boy. *(nose grows)* *(awkward laugh)*
Just when ya think life can't get any worse, ya get evicted from a swamp!

PINOCCHIO

Now wait a minute! Something better will come along, and we have to wait for it, because that's what fairy tale creatures do. We wait for miracles.

GINGY

(shocked) Landfill? *(dismayed)* Are you kidding me? *(freaking out)* "What's next? A septic tank?
(threatening) How low do we need to go, People?

GINGY

(scared) Oh-no-oh-no-oh-nooooo... *(eye roll)* Ohhhh, it's you... *(angry)* Look what you've done to my leg! You're a monster! *(pleading)* Oh, no! Not the buttons! Not my gumdrop buttons!
